**tion Contributions:**  
With such a short notice to all our members I am proud to announce that the Folds of Honor donations received totaled just over \$15,000.00!!! Bright's Creek is the talk of the Foundation. You showed what a group of individuals who care for the families who have given so much can do and you did it loudly! The average facility contribution to date is \$1,002.00 and you did 15 times that amount! Congratulations to everyone for creating a high level of honor at Bright's Creek!
